THINGS TO KEEP IN MIND FOR YOUR TRIP

- **Be patient!**
 - While theme parks are fun, they can sometimes be stressful. If you're patient and kind to your fellow guests and Cast Members, you'll have a much better time!
- **Expect to walk a lot!**
 - You'll easily hit your 10k step count, so wear comfy shoes! Make sure your littlest ones have a stroller too!
- **Have a plan!**
 - With so much to do and so little time, make sure you plan out what you *have* to do, versus what you'd *like* to do.
- **Budget beyond your vacation package price!**
 - Make sure to plan for additional food, souvenirs, and any other extras you might purchase during your trip.
- **Bring essentials for all types of situations!**
 - Including (but not limited to) sunscreen, reusable water bottles, ponchos, portable chargers, and a decent backpack to carry it all in.
